## Our Credo

We believe:

Teaching is a lifelong learning process. We respect and support teachers at all stages of their professional development.

The rural teacher is just as important as the urban teacher.

It is important for teachers to cooperate with other music educators in the community.

The teacher's role includes promoting the value of music in the lives of students, their families and their communities.

## What is APTA ?

The Alberta Piano Teachers Association (APTA) is an affiliation of piano teachers either actively teaching or interested in teaching piano.

Our mission is to provide encouragement, inspiration and educational opportunities for all piano teachers in an atmosphere of co-operation and mutual respect.

Membership fees are \$45 per person or \$60 for corporate members.

## What is the Lending Library?

As part of our mandate towards continuing education, APTA has established a library of DVDs on a variety of topics related to music, music history, and piano pedagogy.

Members can watch the video in their own home or host a coffee party and invite other teachers in their community to watch the video and discuss it afterwards.

Many of the videos are suitable to watch with students, especially students preparing for history exams.

## How Much Does it Cost?

The library can be used by all APTA members. We charge a per rental fee of \$6 per DVD or 2 for \$10. This covers postage both ways and includes a small library maintenance fee.

Payment can be made by credit card at [www.aptaonline.net](http://www.aptaonline.net) or by cash or cheque using the attached rental form.
