Long & McQuade Continuing Education Scholarship

\$300

Application deadline July 15th

Intended to offset the expense of attending any music related conference, seminar or other similar event of the year if received. It may also be used for a teacher continuing their private studies with a studio teacher or at a post-secondary institution.

Applications must include:

1. A cover letter including contact information (e-mail and mailing address)
2. A bio including musical education background and plans for further education
3. A description of your teaching (for example: number of years, grade levels taught, participation in festival, recitals, exams)
4. One letters of reference.
5. Optional additional information:
 - In what way would this scholarship assist you financially?
 - How do you share music with your community?

In addition, submit a response to the following questions.

1. What continuing education activities will this scholarship be used for?
2. What impact do you anticipate from this opportunity?
3. What is your estimated budget for your activity e.g. fees, travel, accommodations
